Investor Charter

SEBI Registered Research Analyst: Partha Shah INH000017815
Vadodara-based research-led wealth management and portfolio review firm serving investors across Gujarat and India.

Vision

To support investors with research-led, process-first portfolio review and analysis, with clear disclosures and no promise of returns.

Mission

To help investors understand suitability, risk, overlap, and asset allocation before making further investment decisions through research guided by a SEBI Registered Research Analyst.

Business transacted

PrimeIdea provides research and portfolio-review support covering mutual funds, equity, ETFs, fixed income, retirement, insurance planning context, and related wealth-management review. This is not SEBI Registered Investment Adviser advice unless separately registered.

Rights of investors

Investors have the right to fair dealing, clear communication of risks, access to grievance redressal, and independent verification of SEBI registration. Read all scheme-related documents carefully.

Expected timelines

Queries and complaints are acknowledged and reviewed as promptly as practicable. Complex matters may take longer where documents or third-party information is required. Escalation to SEBI SCORES remains available at https://scores.sebi.gov.in/

Dos and donts

Do verify registration, share complete information, and treat research as process guidance. Do not expect guaranteed, market-beating, or risk-free returns. Do not treat website content as a substitute for your own due diligence.

Disclaimer

Investments in securities market are subject to market risks.
