PrimeIdea Ventures

Asset allocation note

SEBI Registered Research Analyst: Partha Shah INH000017815
Education note.

Allocation is the mix of equity, debt, and cash for your goals.
Review drift before adding a new product.
Time horizon and cash needs come before product names.
Rebalancing is a discipline, not a promise of higher returns.
The mix should be suitable, not copied from someone else.

Disclaimer
Investments in the securities market are subject to market risks.
This note is education. It is not a forecast, a product offer, or a promise of returns.
