Primary URL	/primeidea-research-privilege-club
Optional Redirect	/research-privilege-club
H1	PrimeIdea Research Privilege Club
Annual Subscription	INR 18,000 per annum
Primary CTA	Join Research Privilege Club
Query Email	research@primeidea.in

3. Hero Section

3.1 Hero Title

Research-Led Investment Ideas & Portfolio Review for Retail Investors

3.2 Hero Subheading

PrimeIdea Research Privilege Club is an annual research subscription for retail investors who want to explore PrimeIdea Ventures research capability in greater depth through mutual fund investment ideas, portfolio review, rebalancing recommendations, market research, and selected investment ideas across suitable products such as PMS, SIF, AIF, ETFs, fixed income, and other investment categories.

3.3 Price Display

Show clearly: Annual Subscription: INR 18,000 per annum

Add small note: Taxes, invoice terms, and payment process will be shared during onboarding, as applicable.

3.4 CTA Buttons

- Join Research Privilege Club
- Request Access
- Email Your Query

The Email Your Query CTA must open mailto:research@primeidea.in

Important compliance note near hero: PrimeIdea Ventures does not guarantee returns. Research views, portfolio observations, investment ideas, and rebalancing recommendations are subject to market risks and

must be evaluated based on the investor risk profile, time horizon, financial goals, liquidity needs, tax situation, and suitability.

4. Important Developer Clarification

There will be only one plan.

Do not create the following:

- Multiple subscription plans
- Free plan
- Trial plan
- Premium / basic / advanced plan comparison
- Member login dashboard
- Client dashboard
- Research dashboard
- Masterclass section
- Webinar section unless later approved
- Online KYC flow at this stage
- WhatsApp query system
- Guaranteed-return claims
- Trading-signal style design
- Fake urgency or countdown timer

5. What Members Get Access To

- Mutual fund investment ideas
- SIP investment ideas
- Lumpsum investment ideas
- Existing portfolio review
- Portfolio rebalancing recommendations
- Asset allocation ideas
- Mutual fund overlap review
- Fund category review
- Risk-adjusted return review
- ETF investment ideas
- Index fund ideas
- Fixed income ideas
- Debt fund ideas
- PMS research and suitability notes
- SIF research and suitability notes
- AIF education and suitability notes
- Sector and theme-based investment ideas
- IPO / NFO review notes, if applicable
- Market research notes
- Monthly portfolio strategy notes
- Risk-labeled investment ideas
- Time-stamped research views
- Email-based query support

6. Direct Equity Research Clarification

Direct equity research ideas may be shared on a request basis or as and when PrimeIdea Ventures research team believes the idea is suitable for the investor profile, risk appetite, investment horizon, and overall portfolio context.

Do not show direct equity as automatic guaranteed monthly stock recommendations.

Avoid these words:

- Stock tips
- Assured calls
- Multibagger calls
- Jackpot ideas
- Guaranteed profits
- Daily trading calls

7. Existing Portfolio Review & Rebalancing Support

Members can request a review of their existing portfolio. PrimeIdea Ventures may review asset allocation, mutual fund overlap, fund category concentration, equity exposure, risk concentration, fixed income allocation, insurance adequacy, and goal alignment. Based on the review, PrimeIdea Ventures may provide research-led rebalancing recommendations.

7.1 Review Items

- Existing mutual fund portfolio
- SIP portfolio
- Lumpsum investments
- Direct equity exposure, if provided
- ETF exposure
- PMS / SIF / AIF exposure, if applicable
- Fixed income exposure
- Asset allocation mismatch
- Overlap and duplication
- Sector / category concentration
- Risk level
- Rebalancing recommendation
- Exit / switch / hold view, where applicable and compliance-approved

8. Research Note Format

Each research idea or portfolio note should include:

- Research title
- Date of publication
- Product category
- Risk level
- Suitable investor type
- Suggested time horizon
- Research rationale
- Key risks
- Suitability notes

- Review date or validity period, where applicable
- Disclosure
- No-return-guarantee statement

9. Risk Classification

Create section: Risk Classification for Every Investment Idea

- Low Risk
- Moderate Risk
- High Risk
- Tactical Idea
- Long-Term Idea
- Educational Only
- Suitability Required

Risk classification helps investors understand whether an idea is conservative, moderate, aggressive, tactical, long-term, or educational. It does not remove market risk and does not guarantee any outcome.

10. Time-Stamped Research Views

Research views may change due to market price, valuation, earnings, interest rates, liquidity, regulation, taxation, macroeconomic data, or product-level risk. Every research note should mention publication date, review date, and validity period where applicable.

11. Communication and Query Process

- Primary communication mode will be email.
- Research updates will primarily be shared through email.
- Clients must raise queries through email only.
- Query email: research@primeidea.in
- Query responses will be handled as per PrimeIdea Ventures internal process and compliance rules.
- No WhatsApp-based research query system should be shown at this stage.
- No client dashboard or member login is required at this stage.

Email query button: Raise Query by Email. Link: mailto:research@primeidea.in

12. KYC and Onboarding

At present, subscription onboarding and KYC will be handled offline by PrimeIdea Ventures. Clients who request access will be contacted by the PrimeIdea team for required documentation, suitability understanding, payment process, and subscription activation. Online KYC may be introduced later depending on client traction and operational requirements.

13. Who Can Join

- Retail investors
- SIP investors
